

FrOGS Newsletter

This is our second newsletter of the year and we want to start by thanking you for your incredibly kind donations and sponsorship!

Any ideas?

Thank you to Lia Lingard, who suggested the Decorate a Pumpkin activity. We got lots of entries and gave out a lovely little goodie bag to all the children that entered.

It's a challenging time and we need people to help us think of different ways to raise funds. It doesn't matter whether you can attend meetings or not, if you have any ideas that you would like to share please email us at grimoldbyfrogs@gmail.com

Fundraising

Thanks to everyone that donated for the Decorate a Pumpkin activity or gave sponsorship money for the Scavenger Hunt. Together this raised an incredible £909.94!!

We were absolutely astounded and are so very thankful for your support.

We are also very grateful to everyone that supports the school lottery. That now raises over £1200 annually for the school!

Please tell your friends and family, anyone can sign up! Only £1 per week! £25,000 Jackpot!!

The weekly prize is currently over £19, but this increases as we sell more tickets.
