

Friday 29th May 2020

Dear Parents and Carers,

As you may already be aware, last night the government confirmed that the 5 tests have been met and that schools will therefore reopen their doors to children in Nursery, Reception, Year 1 and Year 6 – along with continuing their provision for key workers. I can confirm that we, as a school, are ready to do this.

Please can all parents of the above year groups complete our quick survey if not already done so? This is so we know who to expect on Monday. Please [click here](#) to access this.

Please refer to the information in our [Returning To School: Everything You Need to Know](#) guidebook if you haven't already read this. It contains lots of information, particularly about the staggered arrival and departure times. We have also produced a short video to assist with this which can be found by [clicking here](#).

To all of our children and families who will *not* be attending school on Monday, our home learning will be ready on our website - as always - for every class from Nursery through to Year 6. This will continue on a weekly basis and can always be found under the Children tab on our school website.

As always, thank you for your continued support for our school during such tricky times. We continue to look forward to when we can all meet again together as a school community but, until that time, please stay safe.

Please do not hesitate to contact me via enquiries@grimoldby.lincs.sch.uk or by calling our main office on 01507 327393 if you have any questions or require further support. Please also remember that a great way for us all to stay in touch is through our main school Twitter feed [@grimoldbyschool](#).

Best wishes,

Antonia Brooks
Headteacher
