

Friday 15th May 2020

Dear Parents and Carers,

As you will already know, the government announced their plans this week to potentially reopen schools on the week beginning 1st June. This will only be a partial opening for children in Nursery, Reception, Year 1 and Year 6, and this also involves us continuing to care for children of key workers and vulnerable children.

In supporting this, the Department for Education have produced guidance (and they continue to do so) which we are currently reviewing. As I am sure you will appreciate there is a lot for us, as a school, to consider and plan before we can provide you with information on what the reopening process may look like.

Please be assured that we are, as always, doing everything we possibly can to keep our children, staff and families as safe as possible during these unprecedented times. We will update you as soon as we can.

In the meantime, work for the final week of this term will be on our school website under the Children tab for Monday of next week, for children in Nursery through to Year 6.

Please continue to contact us through enquiries@grimoldby.lincs.sch.uk if you need to and stay in touch via our school twitter account @grimoldbyschool. It is so wonderful to see everything that is going on at home.

May I also take this opportunity to thank you for your continuous support for our school and for helping your child to learn at home.

I hope you have a lovely weekend.

Yours faithfully,

Antonia Brooks
Headteacher
