

Monday 27th April 2020

Dear Year One,

I hope you are all well and still smiling? I wanted to write a letter to say hi to everyone and that myself and Mrs Smith are missing you lots. How are you all? I can see on Twitter that lots of you have been working hard and keeping busy.

I thought I would tell you what I have been up to while at home. I thought since the weather was so nice, it would be a fantastic time to get in to my garden with my children. We have been very creative. We built a den using big logs and I will put a photo on Twitter to show you. We also went on a nature walk and hunted for mini beasts.

I have also been working very hard planning lots of exciting and creative activities for our new project 'Paws, Claws and Whiskers', which I hope you will really enjoy doing. My children have particularly enjoyed doing them, especially creating a floating boat out of cardboard boxes. They were very competitive on whose would float the longest.

I have also been reading lots of books, and I have even read a couple of books on Bug Club. Have you been using Bug Club? What is your favourite thing on Bug Club? I know there are lots of fun things to do on there, including games and activities where you can earn lots of coins.

Did the Easter Bunny come? He came here and left lots of clues for my boys to find 3 eggs each. I even got one but did not get chance to eat it - some cheeky chops ate it before I got a look in!

Mrs Smith has been enjoying the lovely weather and getting her hour of exercise a day on lots of bike rides with her family and her 2 dogs. She has even learnt a new skill, cutting her family's hair, as it was getting very long.

We have loved seeing your photos on Twitter of all the fantastic work you have being up to. What has your favourite thing you have learnt so far? Have you learnt a new skill? I am learning to do a headstand using videos on YouTube.

Please keep making dens, baking, playing, and enjoying this time with your loved ones.

You are all doing amazingly well and although we are not at school, you are all showing our school values every day. Unity, happiness, inspiration, creativity, respect, and determination. You are all superstars, and we are very proud of you all

We miss you all very much and I hope you will write us a letter back and tell us about your fantastic adventures during this time. If it is safe, post your letter to school or tweet a photo on Twitter.

Mrs Coulthard and Mrs Smith
