

Monday 27th April

Dear Year 3,

HELLO 😊 I hope you and your families are well. I am **missing you soooooo much!** Seeing you're smiling faces on twitter has been the highlight of my days so please keep it up! Anyway, I know not everyone is on twitter and well I would just love to hear from you all so I am writing to say hello and to invite you to **write to me.**

Well it has been a few weeks since we were at school together and what a 'funny' few weeks it has been. Instead of being inside learning with you all I have been able to spend a few days sat in my garden enjoying the sunshine and reading a book. Normally it would take me a few weeks to read something but I managed to get through it in a couple of days. Have you been reading anything good? I hope you are still enjoying BugClub. Just a reminder you can earn coins from your reading to play games so keep reading! I can see who has been online and who hasn't so make sure you do some reading at home. Books are great places to escape to when you need some peace.

Can you believe how nice the weather has been? Have you been making the most of it? How is your daily exercise going? I have found a public footpath through some farmers fields which leads to a little stream. It's so quiet and calm down there it almost reminds me of the Hundred Acre Wood but Pooh Bear is nowhere to be seen. However, I did witness some children testing out homemade boats. They floated at quite a speed and the children had to get their feet wet to collect them. Don't worry I was over 2m away. It just reminded me of you and all the fun things you must be doing. I loved how some of you posted pictures of your Bronze Age and Iron Age houses on Twitter they look incredible and the research. It just blew me away. I am so impressed.

We have just started our new topic and I am really excited for this one because it's all about food. Consequently, I have been practicing my baking. luckily no one who has eaten my cakes or cookies has perished yet so I am doing well . Check out the pictures on the Grimoldby Year 3 school page. I have added some of you with your tasty bakes. They look so scrumdiddlyumptious and I have been tweeted a few recipes. I tried to make some sherbet this weekend but it didn't go so well. I will go back to Twitter and ask the experts for help I think or maybe I will try pasta for breakfast .

Did anyone see Miss Milson's super tiger drawing? I was so impressed and all your rainbows are looking beautiful too. Has anyone tried any other types of art or craft? When I have completed all my teacher jobs I think I will have a go with my water colours and card making supplies. I will let you know on twitter how that goes. I am tempted to try make another movie but I can't decide on one. If you have any ideas please let me know!

Anyway, it is nearly time for Joe Wicks so I will love you and leave you. I hope to hear from you soon! I am in school about once a week so you could drop a letter off there, email it to enquires@grimoldby.lincs.sch.uk FAO Miss Roe or tweet me a picture. I look forward to hearing from you!

Miss Roe

PS. So, what do you think to my letter? Did I remember all the features? Is my letter formal or informal? How do you know? Don't role your eyes Year 3 I had to get some learning and teaching in this letter somewhere 😊.
