Dear Parents/Carers of Children with SEND

In usual circumstances we would have met in school, with class teachers, to discuss & review your child's Individual Pupil Profile (IPP) and progress. Unfortunately, this cannot happen, so we are looking at alternative ways we can try to maintain contact with you and support as best we can.

The Department for Education has recommended for children with SEND the below. Please have a look at it, but only use it if you think it is useful for your child. Our main aim is for everyone to be as happy and as occupied as we can be in the current circumstances, if a little bit of learning happens along the way then this will be a bonus on the eventual return to school!
