

Tuesday 7<sup>th</sup> January 2020

Dear Parents,

Our new project – WE SHALL NEVER SURRENDER! – is well underway and children already know so much about how World War II started and evacuation of children. In order to bring this learning to life, I'd like children to come to school on Monday 13<sup>th</sup> January dressed as a WWII evacuee. They will be given a name label for the day and assigned a location in the country to be evacuated to (but don't worry – you will get them back at home time)!

Please don't feel like you need to spend a fortune on this – modifying old school uniform or old clothing is a really easy way of doing this. I would also like children to bring in a box of 'essentials' that they will take with them during their evacuation: no electronics or anything too valuable, please.

This will definitely be a brilliant topic and if you have any WWII memorabilia or resources that you feel might be useful to share with the class, please do get in touch.

Additionally, the class will be learning about genetics and inheritance with Mrs Thomas this term. If your child is able to bring in a photograph of them when they were younger (ideally as a baby), this would be really useful for Monday's Science lesson too!

Yours faithfully,

Mr S Spendlow  
Deputy Head Teacher
