

Thursday 19th December

Dear Parents,

As part of our exciting curriculum, we inspire to engage children and introduce our new project 'Brr it's cold' with a memorable experience called a 'wow moment'. We would like children to come into school on Monday 6th January dressed for cold weather or as an arctic animal. We appreciate this time of year is expensive so please don't feel your child has to wear something new. They could come in their normal winter clothes (fleeces, jumpers, hats or scarves). They could also come as an arctic animal (polar bear, reindeer, seal, arctic fox or a penguin).

We are always looking to enhance our areas in Foundation Stage to support children with their learning. If you have any winter or arctic related toys, games, furniture or decorations that you wish to donate for our new project, we would be very grateful.

Many thanks for your support,

Miss Young
(Reception Class Teacher)
