

Monday 4<sup>th</sup> November 2019

Dear Parents and Carers,

## Will you join us and help keep all children safe online?

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools; support and guidance to help parents and carers have conversations with their children about their online lives.

### Online safety workshops for parents

As part of this, they're running free **online safety workshops for parents and carers** and will be hosting one at **Grimoldby Primary School** at **9am** on **Tuesday 19<sup>th</sup> November**. We would like to invite all parents and carers to join. We will even make you a cup of tea or coffee!

The hour and a half long workshop will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online.

Don't miss out on this great opportunity.

Until then, if you need any support or guidance, check out the [website pages](#) and [step-by step guides online](#), call the **O2 and NSPCC Online Safety Helpline** on **0808 800 5002**, or pop into your local O2 store for help from a Guru.

### Non-Uniform Day

Before this important Online Safety Workshop, on Wednesday 6<sup>th</sup> November, we are holding a non-uniform day. We are asking children to bring in a donation to help support the NSPCC with the amazing work they do to keep our children safe and protected from abuse. We would really appreciate your support (and children won't need to get changed before they arrive at the FrOGS Neon Night Disco).

Many thanks,

Miss Brooks
