

Monday 30th September 2019

Dear Parents,

We will be taking our Year 3 and Year 6 classes to represent the school at a Cross Country tournament on Thursday 3rd October. This will be held at the Louth Academy playing fields and will begin at 1:15pm. We should return in time for the normal school finishing time of 3:15pm, but please bear in mind that sporting events can sometimes over-run.

Lunches will be as normal on this day, but your child will require plenty to drink and lots of layers of clothing that can be removed and added as needed (once they finish their race, they may have time to watch others racing too). Trainers are a much-preferred option to plimsols too – especially as the ground may be a little damp.

If you have any questions about the event – or if you do not wish for your child to attend – please come and speak with me directly as soon as possible.

Yours faithfully,

Mr Spendlow
Deputy Head Teacher
