## Harvest Festival

Dear Parents,

We are excited to inform you that we will be celebrating harvest with a special assembly for the children on Friday 11<sup>th</sup> October. Last year you were all so generous in providing donations for the Louth Community Larder that we are hoping to do the same again but with an added extra challenge... which house team can donate the most?

The Louth Community Larder provides food for those families and individuals who unfortunately do not have access to food and go hungry. Any dried food, packets, tins and boxes – basically, anything that will keep for a while and does not need refrigeration would be gratefully received. If you are able to spare any food, please send the items into school with your child on Friday 11<sup>th</sup> October.

We have invited Mr Gilbert, a representative from the Louth Community Larder, to talk to the children about his work and how support the children are giving to the charity will make such a difference to the lives of so many in our local community. It would be wonderful to receive as many donations as possible to help and support our local community from going hungry.

Unfortunately, we cannot share the invite to parents due to the size of our school hall but please do have a look on your child's class Twitter page for photographs of our Harvest Festival.

If you have any questions then please do not hesitate to contact me.

Mrs Smith

Year 4 Class Teacher
