

Tuesday 14th May

Dear Parents,

I have organised for pupils in Year 5 to visit John Spendluffe Technology College, Alford, in order to participate in a curriculum day on Monday 17th June. This will allow pupils to visit another secondary school in order to become familiar with routines, expectations and lessons. Last year, parents and pupils found it to be a really valuable experience.

We are very fortunate that transport is being provided and therefore this day incurs no cost to parents. Pupils will also be provided with a free lunch and break-time snack, and they have already made their menu choices so there is no need to provide a packed lunch. Please ensure that you do not order a hot meal for this day.

Pupils will also be participating in a PE session, so please ensure that they have their school PE kit with them and plenty to drink.

If, for any reason, you do not wish for your child to attend this day, please come and speak to me directly as soon as possible.

Yours faithfully,

Miss A Milson

Year 5 Teacher
