

Mrs Bath's After School Clubs

Dear Parents and Carers,

I am pleased that I will be continuing to run this after school provision. The School Councillors have been round to each class for some fresh suggestions on what they would like me to include in the clubs next half term. Places for each club are limited, we expect a lot of demand for them. If we are oversubscribed we will try to ensure that children who haven't attended a club get to do so this term.

If your child is interested in attending any of the clubs below, please return this letter to us as soon as possible. We will then allocate initial places and send an email to confirm your child's place. If they don't get a place this time, they will take priority for the next half term.

Homework Club, Tuesdays 3.15 – 4.30pm (Years 2 – 6)

If you want your homework done, come and join this club. You will have the use of all the resources school has to offer, including computers and iPads for our new handwriting scheme Letterjoin.

Explore, Recycle, Create Club, Wednesdays 3.15 – 4.30pm (Years 3 – 6)

We will be looking at the differences between here in Lincolnshire and in Guadeloupe our partner school. Finding out about the marine life and how pollution damages it. Then we are going to get creative and find ways of recycling plastic into other useful things.

Under The Sea Club, Thursdays 3.15 – 4.30pm (Reception, Years 1 and 2)

Let's dive in and explore. This half term we will be looking at the coastline and marine life here in Lincolnshire and over in Guadeloupe our partner school. We will have lots of fun doing activities including games, jigsaws, puzzles, poems, arts and crafts.

Please circle the club/clubs you child is interested in and return this letter to our school office as soon as possible. We will let you know which club your child has been allocated a place for.

Child's Name _____ Class _____

Parent's Signature _____ Date _____
