

*Year 3 Home Learning Tasks
Term 5 & 6*

Below are tasks to choose from to complete at home over Term 5 and 6 in your scrapbook.

You can complete them in any order and choose to do as many as you wish.

We would love to see your home learning throughout the term to share with the rest of the class.

<i>Time to Create!</i>	<p>This term, we are looking at the seasonal vegetables and fruit that can be grown in this country. By the end of term, we will make ourselves some delicious snacks using those foods. At home, can you help your adult cook dinner? Can you make a delicious snack or treat using fruit and vegetables? Can you grow your own herbs to use in your food? Remember to send us plenty of pictures and you could even bring the recipe in if you wanted.</p>
