

Reception Home Learning Tasks

Term 5

Below are several tasks to choose from to complete at home over this term in your Home Learning scrapbook. You can complete them in any order and choose to do as many as you wish.

Please write in the date when you complete them.

We would love to see your scrapbook to share with the rest of the class. We will collect all scrapbooks in the final week of the term.

What nature can be found in the woods?

Date:

Go for a walk in a local woodland area. What nature can you find? What signs of Spring can you see? You could even bring any signs into school! Just not any real minibeasts though...

Nature Detectives

Date:

Can you draw and label how many minibeasts you can find in your garden or on a walk? Which minibeast is your favourite? Where did you find it?

Teddy Bear Picnic

Date:

Have a picnic with your favourite teddy! Can you write a list of foods you would like to have at the picnic?

Non-Decodable Words

Date:

Practise your non decodable words in your book bag. Don't forget to put them back in your bookbag so we can add new words on to practise and so we can use them in school!

Creativity

Date:

This term our whole school value is 'Creativity'. Can you demonstrate creativity by creating a drawing, painting, or sculpture of something you might find in the woods? You could use petals, twigs, pebbles to create something special!

You choose!

Date:

Choose a story that you have shared at home to bring into school and share with your friends!
