

Monday 24th November 2025

Dear Parents,

We are excited to announce a fun and creative project coming up in Year 3! The children will be designing and building castles as part of our Design Technology. To make this activity as engaging as possible, we would love your help in collecting materials.

Please could you save and send in any **recycling items such as cardboard boxes, tubes, and other suitable materials** that can be used for construction. These items will help the children bring their castle designs to life.

We kindly ask that all items be sent in by **Friday, 5th December**.

Thank you so much for your support and for helping us make this project a success!

Best regards,

Amanda Smith

Year 3 Teacher
