

Reception Home Learning Tasks  
Term 2

Below are several tasks to choose from to complete at home over this term in your Home Learning scrapbook.

You can complete them in any order and choose to do as many as you wish. Please write in the date when you complete them.

We would love to see your scrapbook to share with the rest of the Class. We will collect all scrapbooks in the final week of the term.

### Could you live in the Arctic?

Date:

Go for a walk and observe signs of winter. What can you see? Can you draw it in your scrapbook and label it or collect signs of winter? Can you dress for the cold? What would you wear if you lived in the Arctic?

### Icy Igloo

Date:

Make an igloo out of bricks, sugar cubes, cardboard, or any material you can think of! Can you make it look like an igloo? You could even paint it white to make it look like ice/snow. Look at pictures of igloos online to help you. Can you take a picture of your igloo creation or bring it into school?

### Melting and Freezing

Date:

Can you make ice cubes or an ice lolly and draw/take a picture of what happens when you put it in the freezer? What happens when you take ice/food out of cold temperatures?

### Non-Decodable Words

Date:

Practice your non decodable words in your book bag. Don't forget to put them back in your bookbag so we can add new words on to practice and so we can use them in school!

### Happiness

Date:

This term our whole school value is 'Happiness'. Can you take a picture of something that makes you happy? You could draw it in your scrapbook!

### You choose!

Date:

Choose a story that you have shared at home to bring into school and share with your friends!
