

Year 2 Home Learning Tasks

Term 2

Below are several tasks to choose from to complete at home over this term in your scrapbook.

You can complete them in any order and choose to do as many as you wish. (We do ask that a minimum of 3 tasks are completed).

Please write in the date when you complete them.

We would love to see your scrapbook throughout the term to share with the rest of the Class.

Please can you make sure you hand your scrapbook in by Monday 15th December.

Fantastic Fact File

Date:

Who was Amy Johnson?

Create a fact file or poster about Amy Johnson.

When and where was she born? What did she do that was special? What did she fly? Can you find out any interesting facts about her?

Make it colourful - you could draw pictures of her and her plane.

Amazing Animals

Date:

Choose two animals. One from a hot country (like a camel or a lion) and one from a cold country (like a penguin or a polar bear). Draw them or make them using craft materials. Write a sentence to show how each animal is suited to its home.

Our Wonderful World

Date:

Compare a hot place such as Kenya with a cold place like the Arctic. Create a poster to show the differences in weather, animals that live there, what the land looks like, what people wear etc.

Happiness

Date:

In school this term, our value is 'happiness.' What makes you happy? How can you make others happy? Have a go at spreading some happiness...

Awesome Artists

Date:

Go on a mini nature hunt in your garden or local area. Look for interesting natural objects such as leaves, stones, feathers and twigs. Use a pencil to sketch them. Try to notice the shape, patterns or lines and the texture.

You choose!

Date:

What has inspired you this term that you'd like to find out more about? Maybe you want to learn more about animals and their habitats or perhaps you want to know more about hot and cold countries around the world.
