

Tuesday 4th November 2025

Dear Parents and Carers,

I am very excited to inform you that the **Year 3 & Year 4 boys** have been invited to an Inter School Football competition. This has been organised by the Wolds School Sport Partnership. The competition (which will be held at Louth Academy Lower) will take place on **Thursday 6th November 2025**. We will be leaving school at approximately 9:15am and will return in time for lunch. The children will still be able to have a hot school dinner if you have ordered one.

All the boys will need to **bring in an extra drink** to take to the competition. On Thursday, we ask that the **boys come to school in their P.E kit**. Please could they **bring their normal school uniform in their PE bags** to get changed into when they get back? The competition will be held outside so children's P.E kit should include warm layers, in addition to their coat. All participants are also required to wear **shinpads** whilst playing so should bring these in too. If anyone has any spare shin pads and are willing to lend these to other children, we would be really grateful if they could bring them in too. If your child doesn't have shin pads, we can provide them but, unfortunately, we do not have a whole class set.

If you have any questions about the event, please contact enquiries as soon as possible.

Yours faithfully,

Mrs Smith and Mrs Brown

Year 3 and Year 4 Class Teachers
