

Year 5 Home Learning Tasks Term 1 and 2

Below are tasks to choose from to complete at home over Term 1 and 2.

You can complete them in any order and choose to do as many as you wish.

We would love to see your home learning throughout the term to share with the rest of the class.

Knowledge is Key! Date:	Create a fact-file about any of the following topics we're studying: • Hinduism • The Alps or another mountain range. • The Egyptians • Online safety Try and find out some facts we haven't studied in class to amaze the whole class. Alternatively, you could create a digital presentation. Send this to enquiries and we can show this in class. 
Lifecycles Date:	This term, we're learning all about life cycles of birds, amphibians and insects. Choose your favourite type of animal and learn more about its life cycle. Do you want to find out more about the life cycle of a specific insect? Could you ask a scientific question and find out the answer? Present your findings in a creatively. 
Time to Create! Date:	Get creative with the Egyptians... using resources you have at home, you could choose to create a model of Tutankhamun or another pharaoh, a pyramid or the sphynx, a drawing or a painting. Whatever you choose to do, make sure to take a picture or bring it in to show our class! 
Who Will Win? Date:	Create a game! This could be a board game, cards, or a true or false quiz. You can choose to focus on the Egyptians, mountains or the life cycles of insects, birds and amphibians. Please bring it in so we can play in class. 
Respect and Happiness Date:	In Term 1 and 2, our key values are respect and happiness. Choose one of the activities below to complete: Happiness spreads 😊: Create a mind map about everything in your life that makes you happy. After doing this, spend the rest of the day doing as much as you can to make other people in your house feel happy. Take pictures of what you have done - we would love to hear about them! I am respectful because... : Draw your best self-portrait! Around the outside, list all the things that you do to show respect. 
You Choose! Date:	We've been learning lots of things across the Autumn term, choose something that has inspired and interested you. Create a piece of home learning in whichever way you would like. You could create a piece of writing, make a model or create a drawing... the possibilities are endless.
