Dear Parents and Carers,

As we come to the end of this first term, I would like to extend my heartfelt thanks to each and every one of you for your unwavering support and dedication. Your involvement in our parent shares, drop-ins, and parent consultations has been invaluable, and it truly makes a difference in fostering the strong partnership between home and school.

I am so proud of how well the children have settled into the school year. They have shown such enthusiasm, unity, and determination in their learning, embodying our shared vision of always *being the best that we can be...* It has been wonderful to see their growth and development, and I look forward to seeing them continue to flourish in the terms ahead.

I would also like to take this opportunity to thank our amazing team of staff, who continue to inspire and guide our children every day. Their dedication and commitment are at the heart of the positive learning environment we strive to create. A special mention goes to Mrs Nicholson, Mrs Fisher, and Mrs Bath, who accompanied our children on the successful PGL residential trip. Their care and energy ensured that the children had an unforgettable experience, full of fun and adventure!

We are also so fortunate to have a dedicated team of volunteers from **FrOGS** (Friends of the School), who have organised our exciting Halloween activities. The weather hasn't been on our side today, but the children have still had lots of fun completing the scavenger hunt inside our school building. Children can continue to bring their sponsor money into school after half term – there's still time to collect more sponsor money from friends and family!

We'd also love to see your creativity with pumpkins! Send photos of your decorated pumpkins to our **X page** (formerly Twitter), and there will be a special prize for the best three pumpkins. We can't wait to see your fantastic designs.

As we move into the new term, we continue to offer a wide range of after-school clubs, including sports and music. If you would like to sign your child up for any of these activities, please get in touch with our school office.

Please note that the new term will begin on **Monday 3rd October**. If you have a child who attends our Nursery, parent consultations will take place during the week commencing Monday 10th October – please do book an appointment through School Cloud.
