Harvest

Dear Parents and Carers,

I am delighted to announce that we will be supporting the amazing work of the **Louth Community Larder**, based at Trinity Centre in Louth, by collecting food donations on **Wednesday 7th October** for our Harvest Festival celebrations this year.

The **Louth Community Larder** is based at the Trinity Centre on Eastgate in Louth. It is an independent foodbank working hard to ensure local people do not go without in these difficult times. Foodbanks play a vital role in supporting families within our local community. Many households can unexpectedly face financial hardship due to rising living costs, changes in circumstances or unforeseen emergencies. The Louth Community Larder provides practical support and hope to people who may be struggling, ensuring that families have access to essential food and household items when they need them most.

We know that times are tricky at the moment, but if you can donate, **please bring any of the following non-perishable food and hygiene items into school on the morning of Wednesday 7th October:**

- UHT milk
- Rice and pasta
- Tinned vegetables or fruit
- Tinned meat
- Cereal
- Coffee and tea
- Sugar
- Toiletries, shampoo, shower gel, sanitary products, toilet rolls, deodorant

We will then ensure that they are delivered to the Louth Community Larder, where we know they will make a difference to so many people in our community. Thank you, as always, for your continued support and generosity. Together, in unity, we can help make a real difference to local families this Harvest season.

Yours faithfully,

Becky Taylor

Deputy Headteacher
