Friday 25th September

Dear Parents and Carers,

This morning, we were lucky enough to have a special assembly led by Mr Smith, our peripatetic music teacher from Lincolnshire Music Service, who is continuing to offer music lessons for all children in KS2.

We are lucky enough that children have the opportunity to learn a range of instruments including brass and woodwind, guitar and ukulele. If your child is eligible for pupil premium, the lessons will be charged at a 50% rate by Lincolnshire Music Service, which will then be fully funded by the school.

Please find a letter attached from Lincolnshire Music Service with more details about the costings, and how to sign up for the lessons using Speed Admin. Please note that Speed Admin is run by the Music Service and your child will be allocated lessons by them. If you need any help or have any questions, please contact us via our enquiries email address – enquiries@grimoldbyprimaryschool.co.uk .

Yours faithfully,

Mrs A Duke
