Wednesday 30th September

Bling Your Bike Day and Win a £40 Halfords Voucher

Dear Parents and Carers,

Get ready for a fun filled day of creativity, colour and cycling! On Friday 16th October, our school will be taking part in Lincolnshire County Council's 'Bling Your Bike' Day, and we'd love your child to get involved.

What is Bling Your Bike Day?

Children are invited to come to school on a decorated bike or scooter that shows off their personality and makes them smile. Think:

- Bright colours
- Ribbons and streamers
- Bows and bunting
- Sparkles and stickers
- Funny themes and creative designs

The more imaginative, the better!

Win a £40 Halfords Voucher

The most eye-catching bikes and scooters from schools across Lincolnshire could win a £40 Halfords voucher to spend on cycle or scooter accessories. We will choose one winner from EYFS and KS1 and one winner from KS2. Photos of the winning entries will be sent to Lincolnshire County Council for the county wide competition.

Why Take Part?

Bling Your Bike Day is a great opportunity for children to express their creativity, celebrate their unique personality, enjoy being active and have fun with family and friends. Most importantly, it's a chance to have fun and show off an amazing bike or scooter!

Cycle to School Week

Bling Your Bike Day takes place during Cycle to School Week on the 5th of October. This week encourages children and families to travel actively where possible. To give children and families a little more time to complete the challenge, our school will be collecting entries the following week on Friday 16th October.

What if your child can't bring your bike or scooter to school?

If travel arrangements, breakfast club or other commitments make it difficult for your child to bring their decorated bike or scooter to school, please send us a photograph instead via enquiries@grimoldbyprimaryschool.co.uk. Photos will be judged too, so everyone has the chance to take part and be considered for the competition.

Start planning, get creative and add some sparkle, colour or fun to your bike or scooter. We're really looking forward to seeing all your fantastic creations and celebrating together.

Yours faithfully

Laura Morton
