

Christmas is Coming!

Welcome to our new Christmas fundraising event!

Your children have been very busy at school using their creative skills and have designed a Christmas themed picture which can be magically made into a Christmas card, a keyring, a magnet, a cushion cover and many other options!

Each child will be sent home with a unique A5 card which contains a proof of your child's artwork plus all the information you need to order online and choose any merchandise you require. Multiple orders can be used using the same code.

Each order placed before or on the deadline date will earn the school some funding which will be spent towards exciting school trips in the New Year.

ORDER DEADLINE TUESDAY 4TH NOVEMBER!!!

You can still place an order after this date however, there will be a postage charge, and the school won't receive any funding.
