

**MOMENTS  
MATTER,  
ATTENDANCE  
COUNTS.**

"From the first day of term to the last, the small moments in a school day make a real difference to your child.  
#AttendanceCounts"

Monday 15<sup>th</sup> September 2025

Dear Parents and Carers,

We know it is still early in the term but would like to share with you your child's class Curriculum Catcher and Home Learning tasks. The Curriculum Catcher summarises what the children will be learning in class this term and gives you a flavour of the expectations in the new year group. They can also be found on our school website [here](#). This term, as a school, our subject spotlight is Geography. We continue to teach all aspects of the curriculum but have a focus on Geography to deepen children's understanding.

The Home Learning tasks will also be brought home as a paper copy in the home learning scrapbook – please do ask for another copy if this hasn't arrived home!

We hope that you find these documents useful and gives you a glimpse into what the children learn in school.

Kind regards,

Mrs Becky Taylor

Deputy Headteacher
