

Reception Home Learning Tasks
Term 1

Below are several tasks to choose from to complete at home over this term in your Home Learning scrapbook. You can complete them in any order and choose to do as many as you wish. Please write in the date when you complete them.

We would love to see all your scrapbooks and share them with the class.
We will collect all scrapbooks in the final week of the term.

Maps

Date:

Draw a map of your garden or house. Follow your map from the start to the end. Have you included everything? Make sure you add your map to your scrapbook or draw it straight in your scrapbook!

Jungle Scenes

Date:

Can you make a jungle scene using a box or cardboard? Don't forget to include trees and either draw or make jungle animals to go inside it. You can either take a picture of your creation and add it to your scrapbook/Tapestry or bring it into school.

Journey Strings

Date:

Go for a walk in the local area. What can you hear, see and smell? What is the weather like? Collect autumnal items and attach them to a piece of string or stick. You could also stick them into your scrapbook in the order you found them to recall your walk!

Animals around the World

Date:

Visit a local zoo or wildlife park and observe the animals. What do they need in their enclosure? Can you choose your favourite animal and make an animal mask? Don't forget to put it in your scrapbook!

Respect

Date:

This term our whole school value is *Respect*. How can you look after your house and local area? What do you do to help your adults at home? Can you draw a picture or put a picture in of you helping others?

You choose!

Date:

Choose a story that you have shared at home to bring into school and share with your friends!
