

Friday 12th September 2025

Dear Parents and Carers,

It's been a brilliant start to the new academic year back in school. All our children have returned enthusiastic to learn and be with their peers. Our new children across school have settled into their new classes and they are all very chatty and positive whenever I visit them. Thank you so much to all our new parents who attended our reception parents meeting this week, too – it was so lovely to see you all.

As always, I am so proud of all our children for showing such determination, unity and happiness. Everyone is being the best that they can be, really enjoying their new classrooms and displaying our focus school value of respect.

We enjoy celebrating our children's achievements, every Friday, in assembly. Please remind your child to bring in any certificates or trophies they have achieved outside of school. They will then be shared with the whole school during our weekly celebration assembly.

You will receive monthly newsletters from school telling you about everything that is going on, important information and dates for the dairy. This term we would like to invite you to *drop-in* at home time on Monday 29th September if you have a child in KS2 and on Tuesday 30th September if you have a child in Reception of KS1. Parent Drop-In is where your child can bring you back into school at the end of the day and show you their learning and their classroom. We will also be holding our first Parent Consultations on October 21st and 22nd between 3.30 and 5.30pm.

More information about these events and further important dates will follow in our newsletter for September.

Uniform and PE Kit

Please ensure your child brings their PE kit to school every Monday and leaves it in school until Friday every week. We have already found some jumpers without names in and so have been unable to give them back to their owners! Please ensure all your child's uniform and PE kit is clearly named. Please also remember to send your child to school with a coat – we do still go outside, even when it's wet – and a water bottle, which they can refill throughout the day.

We understand how difficult it is for many of our families with the continual, rising costs of living. If you need any help with uniform or PE kit, please do get in touch with our school office. We can help you.

If you have moved house, have a new telephone number or would like to change the safeguarding arrangements for who can collect your child, please do get in touch with our school office. It is so important we have the correct contact information and the correct medical information for your child (especially as this may change as your child becomes older).
