

Year 1 Home Learning Tasks
Term 6.

Below are several tasks to choose from to complete at home over this term in your scrapbook.

You can complete them in any order and choose to do as many as you wish. Please write in the date when you complete them.

We would love to see your scrapbook throughout the term to share with the rest of the class.

We will collect all scrapbooks in the final week of the term.

Explore the Great
Outdoors!

Date:

Take your family for a woodland walk near your home. Take photographs of interesting flowers or trees to show your friends at school.

Who am I?

Date:

Write a 'Who am I?' riddle for family and friends to solve. Write clues about a woodland animal, plant, or tree.

Marvellous Maths

Date:

Measure the length or height of small trees or bushes, sticks, twigs, and leaves found in your garden, local park or woodland. Can you put them in order from shortest to longest?

Let's Get Creative!

Date:

Make miniature homes and gardens for fairies, pixies and gnomes from natural materials such as bark, pebbles, twigs, leaves and pinecones.

Determination

Date:

In Term 6, our key value is **determination**.

Plant some daisies, poppies, or other wildflowers. Draw and write a flower diary about the changes you see each week. Take photographs or draw pictures to show your flowers as they grow and change.

You choose!

Date:

We've been learning lots of things across the Spring term, choose something that has inspired and interested you. Create a piece of home learning in whichever way you would like. You could create a piece of writing, make a model or create a drawing... the possibilities are endless.
