

Friday 25<sup>th</sup> April 2025

Dear Parents/Guardians,

As part of our ongoing commitment to support children with asthma in school, we are currently reviewing our asthma policy. Please click the following link to update the information regarding your child if they have asthma so we can ensure our school records are accurate.

<https://forms.office.com/Pages/ResponsePage.aspx?id=ByJiZ-xmMEGOCwb5rknCjf12l2xgNzpCp08PJ8CQZXJURFY2UEIYN1FQOTJQWVQ3N1g4MzdQS0dOMi4u>

Our updated asthma policy means we will have an emergency salbutamol reliever inhaler on site. This is a precautionary measure. You still need to provide your child with their own inhaler and spacer as prescribed. If you do not wish for us to use the schools' inhaler in an emergency, please fill in the details below and return to school as soon as possible.

Please note that everyone with asthma should use a spacer with their inhaler in order to deliver maximum benefit to the lungs (unless your child has a breath actuated inhaler). If your child does not have a spacer or has not had an asthma review in the past 12 months, please contact your GP practice to arrange for an asthma review or contact your local pharmacy or GP practice for an inhaler spacer.

For more information on reasons for and how to use a spacer see Asthma UK: [www.asthma.org.uk](http://www.asthma.org.uk)

Please complete the information below and return to school

Yours sincerely,

Mrs Sophie Waters

(SENDCo & Asthma Champion)
