

## Year 4 Home Learning Tasks

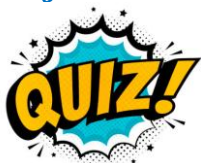

### Term 5 and 6 - Creativity and Determination.

Below are tasks to choose from to complete at home over Term 5 and 6.

You can complete them in any order and choose to do as many as you wish.

We would love to see your home learning throughout the term to share with the rest of the class.

#### Test your teacher!

Can you create the ultimate quiz to really test Mrs Brown or the other teachers within school! This can be a true or false, multiple choice or any other style you like! I look forward to testing my brain!

The quiz can include any of the following;

- The Vikings and their takeover of Britain.
- The water cycle and the river system
  - Electricity and light
  - Animals and pets in French
  - The Islam celebration of Hajj

#### Create a fact sheet!

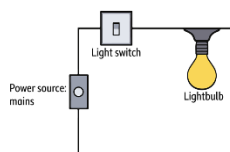

Create a fact sheet looking at the different Islamic festivals. This could be Eid, Ramadan or Hajj. It can include pictures and writing, make sure to include some interesting facts in there too!

#### Design your own river.

This term we are learning about the water cycle and rivers. Design your own river scene this could be a drawing or a model or any other creative way you can imagine.

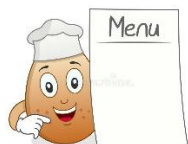

#### Circuits.

Create a poster showing the purpose of a circuit and draw your own diagram to show how they work.

What would your circuit do? Would it light a bulb? Would you have one bulb or more?

#### Creativity and Determination.

This term our whole school values are Creativity and Determination. We can use these values when thinking about the Vikings. They showed their determination when they continued to keep battling to get their place in Britain.

Can you show me some creativity to match the Vikings' determination? Could you make a Viking long boat? Or a Viking shield? You decide!

#### You Choose!

We will be learning lots of things across the Summer term, choose something that has inspired and interested you. Create a piece of home learning in whichever way you would like. You could create a piece of writing, make a model or create a drawing... the possibilities are endless.
