

Reception Home Learning Tasks

Term 4

Below are several tasks to choose from to complete at home over this term in your Home Learning scrapbook.

You can complete them in any order and choose to do as many as you wish.

Please write in the date when you complete them.

We would love to see your scrapbook to share with the rest of the Class. We will collect all scrapbooks in the final week of the term.

How have you changed since you were a baby?

Date:

Bring in some photos of you as a baby, toddler and now to share with your friends and sequence. We'll be learning all about the life cycle of a human and growth in the first few weeks.

Are eggs alive?

Date:

Buy some eggs from the shop. What is inside them? Some eggs have animals that hatch out of them, and some are just yolk and egg white for us to eat. Can you make eggs and taste them? They might be poached, fried or scrambled!!

Spring Walk

Date:

Go for a walk and observe signs of spring. What can you see? Can you collect signs of spring or draw them in your scrapbook? Don't forget to label them!

Non-Decodable Words

Date:

Practice your non decodable words in your book bag. Don't forget to put them back in your bookbag so we can add new words on to practice and so we can use them in school!

Unity

Date:

This term our whole school value is 'Unity'. Can you draw how you've worked in unity (as a team)? Maybe you could take a picture of a time you've worked in unity!

You choose!

Date:

Choose a story that you have shared at home to bring into school and share with your friends!
