

WELCOME TO YOUR NEW CLASS!

That is me – Miss Roe! I will be your teacher in September. In case you do not know me, here is some important information:

- I love reading and I can't wait to read with you all. My favourite part is trying to do voices for different characters.
- I drink a lot of tea but mostly cold.
- You will forever find my pens around the classroom, so I truly appreciate everyone's help keeping the classroom active and safe.
- I enjoy trying new things and hearing about your adventures too.

Mrs Bath will be supporting your learning in our class!

- Her favourite subjects are Art and DT. She loves spending time completing crafts.
- You might see her at Mimi's!

Here is your new classroom.
