

Year 2 Home Learning Tasks

Term 5 - Into the Forest

Below are several tasks to choose from to complete at home over this term in your scrapbook.

You can complete them in any order and choose to do as many as you wish.
(We do ask that a minimum of 3 tasks are completed).

Please write in the date when you complete them.

We would love to see your scrapbook throughout the term to share with the rest of the Class. Please can we see your fantastic work by Wednesday 22nd May.

Trees

Date:

How old are the trees around us? How can you tell how old a tree is? Find out about the rings in a tree trunk and go on a walk to find a tree stump and work out its' age.

Minibeast Mayhem!

Date:

Use the Internet to research a weird and wonderful minibeast. Find out about the Borneo walking stick, the longest insect in the world and the Goliath Beetle. Make a poster to display amazing facts that you can show to our class.

Tree bark

Date:

There are so many wonderful patterns in nature. Have a go at doing some rubbings of tree bark or printing with leaves. Could you turn it into a creative picture?

Tinker with tin!

Date:

Our class book this term is The Tin Forest. Could you make your own forest out of tin foil? You could help with the recycling by collecting and using old tin foil that may be heading for the bin.

Forest sounds

Date:

In our Music lessons we've been looking at how music is used to tell a story in films such as Frozen. Can you create some sounds you might hear in a woodland or forest? You could use body percussion, natural instruments or create instruments from objects around your house.

Creativity

Date:

This term our value is 'creativity.' How creative can you be in making a piece of art from nature?
Be as creative as you can!
