

9th February 2024

Dear Parents and Carers

Our project for next term is 'Spring to Life!' with our driving question *"how do we know it's Spring?"*

We are going to be looking for signs of Spring and learning about life cycles. A Knowledge Organiser will be sent to you with this letter to show you the key knowledge that our children will need throughout the project. Spring is a very exciting season with lots to learn about new life and growth so I hope the children will engage with this and, most of all, enjoy their learning.

Monday 19th February – To kick start our project, we are inviting the children to come into Nursery dressed in some bright coloured/Spring themed clothes!

Please ensure your child has their PE bag at the start of each week. We are encouraging the children to be as independent as possible when undressing and dressing for PE. It would really help if this could be encouraged at home too and the children had lots of practice.

Please continue to share your child's experiences from home on Tapestry, especially if it's linked to our project. The children thoroughly enjoy sharing the photos with their friends and this encourages lots of discussion to aid their communication skills.

At Grimoldby, we have our own X page to show you what we are doing and to share any updates and information with you. Please do go on and follow [@grimoldbyschool](#) and [@Nursery_GPS](#).

Thank you for your continued support. If you have any questions, please don't hesitate to contact the school office. We will get back to you when we can!

Kind regards,

Mrs Keefe and Mrs Morriss

"Being the best that we can be..."
