

December 2023

Dear Parents and Carers,

Our project for next term is Excellent Explorers, with our driving question, “*Can everything be explored?*” To kick start our project on **Wednesday 3rd January**, we will be taking the children on a welly walk to explore the outdoors. We will be taking other opportunities to go out on more walks throughout our project too.

Throughout our project, we will be exploring a variety of experiences to find out the answer to our question. A Knowledge Organiser will be sent to you with this letter to show you the key knowledge that our children will need throughout the project.

Please continue to share your child’s experiences and achievements from home on **Tapestry**. The children thoroughly enjoy sharing the photos with their friends and this encourages lots of discussion to aid their communication skills. It’s a great way of communicating with the staff too.

Please ensure that your child comes to Nursery prepared for any weather, as we do try and access our outdoor learning environment as much as possible.

At the school, we have our own X page to show you what we are doing and to share any updates and information with you. Please do go on and follow **@grimoldbyschool** and **@Nursery_GPS**.

Thank you for your continued support. If you have any questions, please don’t hesitate to contact the school office. We will get back to you.

Have a wonderful Christmas and we will look forward to seeing you in the New Year!

Kind regards,

Mrs Keefe and Mrs Morriss
Nursery Team

“Being the best that we can be...”
