

Friday 3<sup>rd</sup> November 2023

Dear Parents and Carers,

Tapestry is not only great to produce evidence to support your child's learning journal, but also a fantastic tool for communication between school and our parents and carers.

Did you know that you can add evidence onto your Tapestry account at home? This can be something your child has achieved which is evidence to support their learning journal or just something your child would like to share with us and their friends at Nursery. We set aside time every week in Nursery to share any Tapestry news or achievements and not only do the children thoroughly enjoy this, but it also supports us to gain more knowledge and understanding of your child and their home life to gain that vitally strong relationship with your child.

If you need any support with using Tapestry, then please don't hesitate to ask for help. We have our parent share sessions on **Wednesday 8 November at 11.00am** and **Friday 10<sup>th</sup> November at 11.00am**, where we would be more than happy to show you how to logon or upload photos to your child's account.

Thank you, as always, for your continued support.

Kind regards

Mrs Keefe and Mrs Morriss

***"Being the best that we can be..."***
