

October 2023

Dear Parents and Carers

We hope our children have a restful half term - they really do deserve it. We will look forward to hearing all about their holiday news on their return so please do put plenty on Tapestry for them to share with us.

Our next project is 'As The Leaves Turn...' with the driving question 'How can we keep warm?' During this project, the children will be learning all about how we, and animals, keep warm over the Autumn and Winter months. You will have a Knowledge Organiser with this letter with more information and key vocabulary that the children will learn.

To kick start our project, on **Tuesday 31st October** we are inviting the children to come dressed in Halloween costumes and throughout the morning we will be making our own pumpkin soup!

Please ensure your child has their PE kits at the start of every week. We are encouraging the children to be as independent as possible when undressing and dressing for PE. It would really help if this could be encouraged at home too, and the children have lots of practice.

At Grimoldby Primary School, we have our own X (Twitter) page to show you what we are doing and to share any updates and information with you. Please do go on and follow **@grimoldbyschool** and **@Nursery_GPS**.

Thank you for your continued support. If you have any questions, please don't hesitate to contact the school office. We will get back to you when we can.

Kind regards

Mrs Keefe and Mrs Morriss
