Dear Parents & Carers,

With it being the new year, I wanted to share with you the online library system we use in school and how you can access this with your child at home.

Here are details of what the system does and how to log in. No details have changed so existing users won't need any new details.

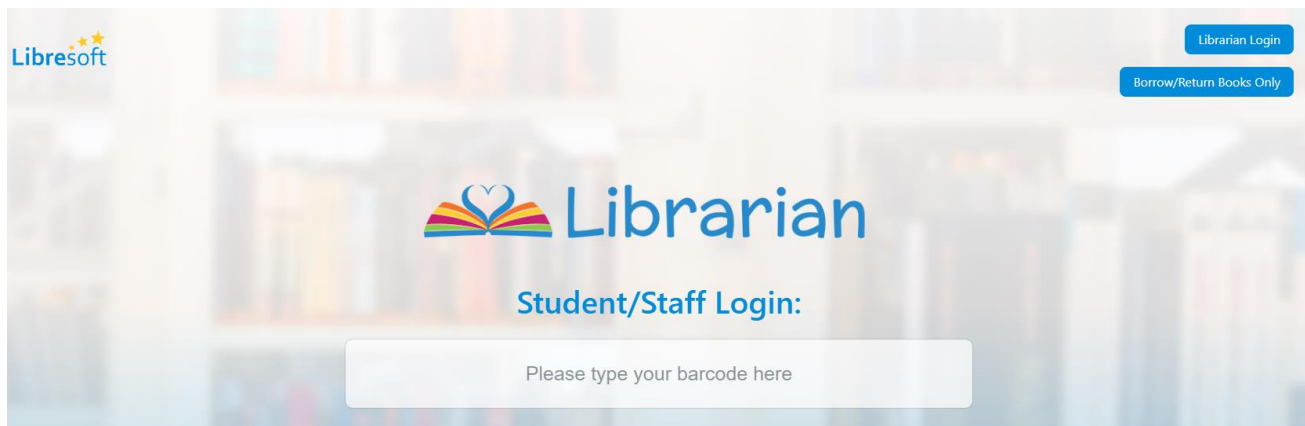

The online library system allows you to;

- See which book your child is currently reading.
- See previous books which have been borrowed and returned.
- Search together for books we have in school.
- Reserve a book if it has already been lent to someone else.
- Review & recommend previous reads.

The system runs best from **Google Chrome** on the following web page:

<https://library.libresoft.co.uk/9255217>

This will bring up the following screen....

The **barcode** (from your child's reading record) will need typing in, for example LL12345

Followed by the **password** which will be our setting code (2020ch) plus the first 4 characters of your child's forename & surname – It sounds more complicated than it is:

E: enquiries@grimoldbyprimaryschool.co.uk

W: www.grimoldbyprimaryschool.co.uk

Head Teacher: Miss Antonia Brooks
Deputy Head Teacher: Mr Stuart Spendlow
Chair of Governors: Mr Andy Craven

For Fred Bloggs it'd be - 2020chFrBl (It must have capitals for the first letters of each name)

For Hayley Thomas it'd be 2020chHaTh

This will then bring you to your own individual homepage for you to explore:
