PARENT WORKSHOP WITH ANDREW WHITEHOUSE

WEDNESDAY 26th APRIL – 2pm

Dear Parents and Carers,

We have recently received some training in school from Andrew Whitehouse who is an educational consultant who specialises in Neurodiversities (this includes ADHD, Autism Spectrum Disorder (ASD), dyslexia, dyspraxia and dyscalculia). Andrew himself has a diagnosis of Attention Deficit Hyperactivity Disorder (ADHD) so has a wealth of practical advice and support to share.

Andrew will be coming back into school to offer a **parent workshop** for anyone who would like to know more about ADHD and ASD or feels that their child displays some different or challenging behaviours, or already has a diagnosis. Sometimes it can be difficult to find answers, but I am sure Andrew will have them – if he doesn't he will set about finding them!

The workshop will take place on **WEDNESDAY 26th APRIL 2023** at **2pm** in the Hall.

If you would like to find out more about Andrew [here](#) is his website.

This really is a fantastic opportunity to come and ask Andrew any questions you may have. We look forward to seeing you on the day but please do get in touch if you have any further questions.

Kind regards,

Mrs Becky Taylor

Senior Teacher & SENCO
