

## **“CHERISH” EVENTS**

The dictionary explanation of CHERISH is to love and adore or to value greatly.

ST Edith's church have been successfully running CHERISH events for a year now. These events are open to everyone and offer a very different approach. But we thought a little more information about why we run these events might be helpful.

The aim of the CHERISH events is to provide:-

A safe space where people can feel comfortable and meet others for an informal chat, friendship and refreshments.

Time and space to stop and think about what is important to you.

An opportunity to consider Christianity in the 21<sup>st</sup> century through fun activities, nature and science.

In today's world there is little time to stop and think about all the good things life has to offer; taking time to 'stop and smell the roses'.

Too often we can be bombarded by social media and the many terrible things that are happening around the world, children are more aware of this than ever before and life can seem overwhelming.

Jesus tells us the most important thing we can do is love God, love others and love ourselves. Why is this so important? What difference does it make? How can we do this? There are so many ways this translates into our lives today, in ways that help us and others and this is the topic of our next CHERISH event :-

**CHERISH THE GIFT OF LOVE on 25<sup>TH</sup> MARCH 2-4pm at ST EDITH'S CHURCH  
TINKLE STREET GRIMOLDBY**

There is no pressure to attend church services and all are welcome.

Why not give it a try?

If you enjoy it please look out for further events.

We look forward to seeing you.
