PHONICS AND EARLY READING MEETING

Dear Parents,

We would like to invite you into school to share how we teach early reading using our Phonics programme, **Bug Club Phonics**. Mrs Johnson will demonstrate what a typical phonics lesson looks like in Reception and share tips to help with phonics and early reading at home. Mrs Taylor will talk about how phonics learning continues through to year 2 and comprehension opportunities within the Bug Club reading books.

There will be a chance to look at the resources that we use in school to aid learning and to see copies of the Bug Club printed books. It would be great to see as many of you as possible as we have not been able to share this with you in person for such a long time! It will also be an opportunity for a refresher for those of you who have previously used the platform with your child(ren) and to answer any questions you may have.

Please join us in the school hall on **TUESDAY 4th OCTOBER at 2:15pm**. We shall be finished in time for you to collect your child(ren) at the end of the day.

We look forward to seeing you there.

Yours faithfully,

Mrs Taylor and Mrs Johnson

Phonics lead and Reception Teacher

“Being the best that we can be...”
