

Tuesday 6th September 2022

Dear Parents,

Welcome to Year 1! We are really looking forward to a new and exciting school year working with you all, we have lots of engaging learning opportunities planned for the Autumn Term and we are looking forward to getting started!

Our project until October half term is 'Superheroes Hit the UK!' Children will be provided with the opportunity to explore our project through the curriculum. Please see the project letter (attached) for more information.

On Friday 9th September we will be holding a 'Heroes' dress up day to help engage the children and immerse them in our new project. The children can come to school dressed as their favourite superhero or real-life hero.

Homework

At the start of each half term, all children will bring home their scrap book with homework in for the term. There are 6 tasks each half term and we ask that a minimum of three are completed by the end of the half term. Reading and phonics is a huge part of Year 1, so please do encourage your child to read or share books as often as possible. Reading for just 5 minutes each night can make such a big difference. Children will bring home a Bug Club book which is matched to the phonics that the children are learning in school. These will be changed regularly. The children will also bring home a book of their choice from our school library and they will change these themselves every Friday. Children can also access books and games using their Bug Club account. Your child's log in details for Bug Club have changed slightly. Your child's new log in can be found on the inside of their reading record. Please do email enquiries@grimoldby.lincs.sch.uk if you have misplaced your child's log in details and we will be happy to send them out again.

Twitter

Once the children move into Year 1 their learning is no longer recorded on Tapestry. Please follow our Year 1 Twitter account [@Year1Grimoldby](https://twitter.com/Year1Grimoldby) for updates and to see what the children are getting up to.

We are here to support you in anyway we can. If you have any questions or concerns or you feel that we can help you in anyway then please do not hesitate to get in touch.

Kind Regards,

Mrs Waters & Mrs Moody

"Being the best that we can be..."
