

## READING, READING, READING!

As I'm sure you already know, we absolutely love reading at our school and we are so proud of the Reading for Pleasure culture we have created. We are one of a handful of schools to have been chosen by the English Hub to be filmed, and are now featured on the Lincolnshire Reading Pledge website. You can view the video here (<https://vimeo.com/727749168/95f8983253>) – remember to copy and paste the link if clicking it doesn't work!

We are collecting all our decodable Bug Club books in from the children's reading packs to sort through over the summer. However, children will be taking home a library book to share (please return these in September, though!), and we have our really exciting **Summer Reading Challenge** organised by Miss Oliver – please see the attached poster – that everyone can take part in. Children just need to bring some evidence back into school in September to show they have completed the challenge. Feel free to email any evidence to [enquiries@grimoldby.lincs.sch.uk](mailto:enquiries@grimoldby.lincs.sch.uk), tweet us @grimoldbyschool, create a scrapbook of evidence or a mixture of all three!

Your child is likely to bring home an extra scheme book this week. We have renewed lots of our books and we now only use the Bug Club scheme in our school. We no longer need books from other schemes, therefore the children can keep these books – enjoy sharing at home with family and friends, completely free of charge!

Over the summer holidays, all children will be able to access their online reading books and games through Bug Club. Remember that reading a book on Bug Club is one of our summer reading challenges too!

### Getting on Bug Club:

Each child has a unique homepage and can log into it by following these steps:

1. Go to [www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)
2. Enter the login details. (School code: hww6)
3. Your child's homepage will appear.

If you do have any problems using the 'Pupil World', help can be found in the Help Section of ActiveLearn Primary (in the top right-hand corner of the website).
