

Tuesday 23rd February 2021

Dear Parents and Carers,

As I am sure you are already aware, the government announced last night that all schools will be open to all pupils from Monday 8th March. We are really pleased about this and cannot wait to have all the children back in school. This week, we will be updating our risk assessment and organising how school will work. As soon as we have finalised the plans we will inform you.

We do know that school will work in a very similar way to how it did in the autumn term. Children will be in class bubbles and we will stagger drop-off, collection, lunch and break times. We will continue to make school as safe as possible for everyone.

Children will need to wear full school uniform and have a PE kit in school. Children's wellbeing will be our priority, along with teaching an engaging curriculum.

Mrs Day is contacting The Farm Kitchen today and to ensure we are able to provide school meals for all children as soon as they return.

In the meantime, please keep going and continue to encourage your child to work remotely and join our live daily catch-up sessions. We are so proud of how everyone has continued to work at home since the beginning of January - we are nearly there, and we have done it together in unity. I would like to thank everyone for their support and dedication to our school.

If you have any questions or comments, please do not hesitate to contact school via telephone (01507 327393) or enquiries@grimoldby.lincs.sch.uk.

Sending my best wishes,

Antonia Brooks
Headteacher
