Dear Parents and Carers

Thank you for being so patient about our uncertain start to this term. It has been lovely to see the new children entering the nursery so confidently and our older children have been very kind and helpful towards them. Our project for this term is Excellent Explorers, with our driving question, "Can everything be explored?"

We are starting the project with exploring the environment and new friendships. We will then be moving onto exploring a variety of experiences to find out the answer to our question. A Knowledge Organiser will be sent to you with this letter to show you the key knowledge that our children will need throughout the project.

PE sessions for this term will be on a Wednesday. We are encouraging the children to be as independent as possible when undressing and dressing for PE. It would really help if this could be encouraged at home too and the children had lots of practice.

Please continue to share your child's experiences from home on Tapestry. The children thoroughly enjoy sharing the photos with their friends and this encourages lots of discussion to aid their communication skills. For our new parents, Tapestry is a really good way of sharing anything you do at home, so please feel free to do this. It's also a good way of communicating with staff too.

At Grimoldby, we have our own Twitter page to show you what we are doing and to share any updates and information with you. Please do go on and follow @grimoldbyschool and @Nursery\_GPS.

Thank you for your continued support. If you have any questions, please don't hesitate to contact the school office. We will get back to you.

Kind regards

Mrs Keefe and Mrs Morriss
